DETAILED ACTION

Response to Amendment

1. The Amendment, filed on June 15, 2005, has been entered and acknowledged by the Examiner.
2. Addition of claims 29-44 has been entered.

Allowable Subject Matter

3. Claims 13-44 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The Examiner notes that the Prior Art of Record discloses a light source arrangement comprising: a radiation source that emits radiation from the wavelength range 400-500 nm of the spectrum; *a* luminescent material arranged to received said radiation, wherein said luminescent material has a Ce-activated garnet structure having the formula $A_3B_5O_{12}$, in which A is Y, B is at least one of Al, Ga; wherein the radiation source is a blue-emitting *LED*.

Further, the cited references disclose a Ce-activated garnet structure having the formula $A_3B_5O_{12}$, in which A is one of Y and Tb, and consist at least in part of Tb as a constituent of the host lattice, wherein the luminescent substance gives orange emission by activation with *electron rays*.

The references of the Prior Art of Record fail to teach or suggest the combination of the limitations as set forth in the claims, and specifically comprising the limitation of "a radiation source having a *mixture* of luminescent materials comprising *a* Ce-activated garnet structure having the formula $A_3B_5O_{12}$, in which A is one of Y, Lu, Sc, La, Gd and Sm, and B is at least

one of Al, Ga; and *another* Ce-activated garnet structure having the formula $A_3B_5O_{12}$, in which A is one of Y, Lu, Sc, La, Gd, Sm and Tb, and consists at least in part of Tb as a constituent of the host lattice; said mixture of luminescent materials *being excited* by a *radiation* source that emits radiation from the wavelength range 400-500 nm of the spectrum”.

Also, Applicant's remarks, stated on Communication filed 6/15/2005, items 2.1-2.3, were persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
